

About

EWT Water & Process Technologies

EWT was founded in 2002 and has become one of Europe's largest water treatment companies. Our happy customers enjoy delicious filtered water in their homes every day. We continually provide excellent customer service and break new ground in the water treatment industry by investing in and developing new water treatment systems to deal with a vast range of water problems. Today, EWT would be delighted to have you join EWT family.

Dual boiling water and
filtered water tap

HOT STUFF™

98°C

www.ewtwater.com

EWT **HOT STUFF™**

The all new must have HOT STUFF™ Dual Boiling water Tap delivers filtered boiling water and delicious filtered water all from one Tap. We have been engaged in HOT STUFF™ Dual Boiling Water Tap for seven years. So we have an excellent sales team and professional research and development group.

The Hot Stuff tap will be installed with EWT G2 or G5 filter for delicious cold or boiling water

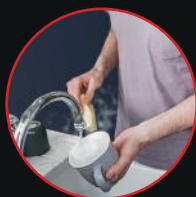

DRINK

Drink unlimited fresh delicious water whenever you like. Serve the perfect cup of tea, prepare gourmet coffee, thaw frozen juice, and make hot chocolate.

EAT

Cook pasta al dente, blanch vegetables, melt chocolate, thaw frozen foods, serve hot cereals, make lump-free gravy, rehydrate dried foods, easily peel fruits and vegetables, warm an icecream scoop and prepare pie crusts and breads.

CLEAN

Loosen baked-on food, remove stubborn lids and labels, clean wax from candle holders, rinse residue from vases, clean out recycling containers and bring sparkle back to silverware.
